

Sorella Glam Collection

"Style is a way to say who you are without having to speak." —Rachel Zoe

Glasses cases today are as much of a fashion statement as your handbag, clutch or wallet.

The new Sorella 'Glam' collection is a combination of contemporary design, fashion and functionality. Our aim was to produce a glamorous, luxury case designed to carry 2-3 pairs of glasses that could also double as a clutch bag for a night out.

One side of the case used for your glasses and the other side for your credit card, lipstick, keys etc.

The Sorella Double-Take case is a versatile statement piece that can...

' Take you from your desk to dinner '

There are 3 colours in the range a Luxe Rose Gold, Silver & Black all with a soft grey suede fabric lining. Our signature central divider separates and protects your glasses and the case is fastened with a hand stitched strap with silver or gold buckles and magnetic clasps.

The cases have a hard shell with a smooth glitter acrylic exterior.

Dimensions: Round Case - 17cm (L) x 7cm (W) x 6cm (D)

The simple elegance of these lovely cases would also make an ideal gift for any glasses wearer.
